Blessings to our beloved Vicars of the churches, Priests of the locality, *Kaisthanees* and faithful of all the Parishes!

Dearly Beloved,

It is with elation, we announce that our Mar Baselios Christian College of Engineering and Technology (MBC CET), Peermade, Idukki, Kerala has been granted accreditation by the National Assessment and Accreditation Council (NAAC). The college is now in the process of getting NBA (National Board of Accreditation)

MBC CET was established by the Malankara Orthodox Syrian Church in the year 2001 under the leadership of our predecessor H H Baselios Marthoma Mathews II. Over the last two decades MBC has developed world class campus facilities spanning a hundred acres in the serenity of Kuttikanam town along with complete residential facilities. We offer engineering programs in Computer Science, Electronics and Communication, Electrical and Electronics, Civil and Mechanical Engineering.

The educational mission of our Church is to support as many as students by way of fee concessions and subsidized hostel accommodation. In the absence of any Government aid, the whole initiative is funded out of financial contributions from benevolent donors from within and outside our Church. We seek your support to participate in this MBC **HELPING HAND** project by sponsoring deserving students who are academically brilliant and financially weak, towards their engineering tuition and hostel fees.

We urge your Parish to sponsor at least 2 Students for his/her entire 4 years course by paying US \$145/month/student (only US\$ 1740/year /student to continue for 4 years) (USD 290/month for 2 students equals to USD 3480 per year for 2 students to continue for 4 years)

The support amount to be settled at the beginning of the year.

- MBC can identify dedicated and deserving students to your parish.
- Semester wise academic reports can be submitted.
- An overall improvement and development of the student is our Mission and Vision.

Our ultimate aim is to assist the student to become an earning member of the family by providing proper education and guidance for employment placement with the help of the college and the sponsored parish.

Appreciate if you can confirm the willingness of your parish to contribute for this noble cause. Your confirmation can be sent to the College Director Mr. Prince Varghese in the following address on or before May 31<sup>st</sup> 2022. Individuals and groups can also support this scheme. Once the college gets your confirmation, the college authorities will contact you with the details.
